- The “for further education study” course is for they who want to continue their study to university (master/bachelor program), vocational school, etc.
- The “for general study” course is for they who want to work in Japan or go back to your country after they finished the school.

5. Qualifications for Program participant

- a) Participant has a clear plan or goal after he/she graduates from our school.
- b) Those who can pay the school fee, living costs, etc. while in Japan can also prove it.
- c) Those who have completed 12 years or more of school education. However, this only applies if the school education period is less than 12 years in the home country.
- d) Passed one of the following: Japanese Language Proficiency Test N5, NAT-TEST Level 5, and J-TEST E/F Level A. However, only people who, due to scheduling, were unable to take these tests will be required to have studied Japanese for 150 hours or more by time of application. We ask those who have confirmed that they will take these exams to please show the test card/ vouchers.
- e) As a rule, admission to the “for further education study” course is only for those who have graduated from the last academic institution (school or university) in less than five years. There is no problem with the general course.

6. Enrollment Conditions and selection method

- a) Those who meet the above qualifications have passed our school's entrance examination and have prepared the necessary documents without delay.
- b) In the selection process, there are interviews in Japanese, written tests in Japanese, and writing in the native language. Additional tests may be conducted if necessary.

	Pick up service	Narita Airport: 16,000 Haneda Airport: 12,000		Transportation costs from the airport to school (using the transportation arranged by the school)

Payment period: Within 2 weeks of the Certificate of Eligibility being issued.

Payment method: International or domestic transfer to the school's bank account. The applicant will pay the transfer fees and remittance fees.

※ The airport pick-up service fee is the cost for pick-up service from the airport to the school on the date and time designated by the school, and the transportation to the school from the airport arranged by the school. If you arrive in Japan on a different date, there will be a change depending on the situation. In addition, costs may change because of Covid-19. In that case, please pay the difference after coming to Japan.

< Second-year tuition payment amount and timing >

- By the day after 6 months of your arrival in Japan, you will be required to pay 337,000 yen for the next half year's tuition and facility costs.
- If the payment deadline date is a holiday, the deadline date will change to the day before the holiday.
- We may allow you to make installments if you cannot pay a lump sum. Don't hesitate to get in touch with us for it.

(An administration fee (2,000 yen) will be charged for each payment).

*If the consumption tax rate changes, the tuition fee may change.

< Payment of dormitory fee after coming to Japan >

- If you want to live in the dormitory for more than the contract period before you arrive in Japan, you must pay the current month's dormitory fee before the end of the previous month.

Example: The dormitory fee for August must be paid before the end of July.

- The school dormitory will be prioritized for new students, so we may not accept your request to extend your residence.

<About refund of cost once provided>

	Amount	Refund
Selection fee	33,000	No refund
Enrollment fee	88,000	No refund
6 months tuition fee	312,000	It will be refunded within 2 weeks from the date of receipt of the original Certificate of Eligibility and the original admission permit, also if the school receive the letter of refusal of admission to our school by the end of the month before your enrollment. After the enrollment, we will not refund for any reason.
6 months Facility cost	25,000	Same as above.
Deposit money (only for applicants who apply for the school dormitory)	30,000	If you cancel by the end of the month before the enrollment month, we can do the refund. If we find that the room and equipment are dirty or broken when you move out, we will deduct the amount of money required to fix it from the deposit money.

If you move in or out, we will do the refund only for the period of non-occupancy. However, the rent fee will not be calculated daily. Refunds will be made when the new rental contract and the various address change procedures are completed.
Bank commission	7,500	If we receive a notice of enrollment cancellation with your signature by the end of the month before enrollment month and the bank commission is less than 7,500 yen, we will refund the remaining amount. If the bank deduction exceeds 7,500 yen, we will calculate it with other refund amounts for the excess.
Bedding	8,500	If you cancel it before coming to Japan, we will refund the money.
Seal	1,500	I If you cancel it before coming to Japan, we will refund the money.
Pick up service	12,000 or 16,000	If you cancel it before coming to Japan, we will refund the money.

Refund: The school will send the money to your bank account. The recipient will pay the transfer fee and overseas remittance fee.

9. Part-time job

- a) Students can do part-time work while being students with the permission of the Director of the Regional Immigration Bureau work within 28 hours per week (8 hours a day during the long vacation period based on our school rules).
- b) In case of overwork, your visa renewal application is not allowed.
- c) The permission of the Director of the Regional Immigration Bureau can be obtained by submitting the required documents at the airport.
- d) The school supports students looking for part-time jobs but has yet to promise when and what kind of work they can get or how much income they will earn. It depends on the student himself/herself.

10. General living expenses while attending school

- a) The average monthly income of a part-time job is about 70,000 to 100,000 yen (950 yen to 1,000 yen per hour). It may be less depending on the content of the work and the working hours.
- b) Expenses other than tuition fees are rent at 20,000 yen (when living with friends), utility costs at 10,000 yen, food expenses at 20,000 yen, Sim card expenses at 10,000 yen, and miscellaneous expenses at 10,000-20,000 yen, totaling around 70,000-80,000 yen.

11. Notes on sending the documents

- a) For the documents required at the time of application, please see the "Required Document List."
- b) Please issue the necessary documents within 3 months from the time of application.
- c) Please attach the Japanese translation for all documents created in a foreign language. Please enter the name and address of the translator in the translation.
- d) Suppose the submitted documents are not true or suspected to be fake. In that case, even if he/she has passed the entrance examination, based on our judgment your application to the Immigration Bureau may be withdrawn. Also, please be aware that if any fake data is discovered after the admission procedure, we may cancel your admission after reporting it to the Immigration Bureau.

12. Obligations and responsibilities of financial guarantor

The sponsor has the following responsibilities:

- a) Pay the tuition fee and living cost of the student.
- b) Not only be responsible for financial problems but also take responsibility for all the student activities in Japan.
- c) If the above obligations and responsibilities cannot be fulfilled, the student may be ordered to return to his/her country.

13. How to apply

- a) Send the application form and copy of passport by e-mail.
- b) After we checked the application form, we will do the interview.
- c) After passing the document examination and the written/interview test, please mail the original application documents to:
